Use this form to transfer your non-registered account from another financial institution to RBC Direct Investing™.

NEED ASSISTANCE? Just call 1 800 769-2560 and speak to a customer service representative.

Four ways to ensure your transfer is a smooth one:

- 1) If possible, attach a copy of your most recent statement. This will speed up the transfer process by allowing us to verify if the transfer is complete.
- 2) If you have not received your RBC Direct Investing account number, complete as much of the transfer form as possible, and RBC Direct Investing will fill in your new account number.
- 3) Please note that the financial institution you are transferring from may levy a "transfer fee" on your account. Prompt settlement of this fee will help ensure that there are no delays in the transfer.
- 4) Some Guaranteed Investment Certificates are not transferable until maturity. Please check with the purchasing institution for eligibility.

A note on Transfers

- All the security positions will be transferred from the Delivering Institution "in-kind" (intact) to RBC Direct Investing unless otherwise stipulated.
- While most transfers are processed over a two to four week period, note that depending on the Delivering Institution, time of year, etc., the transfer process can take longer.
